

NEW CITY CHURCH

Annual Report

2015

New City Family,

God has blessed us with some amazing years at New City, but 2015 was possibly the best yet. We saw record numbers of baptisms, people in groups, volunteer engagement and overall attendance. There's no doubt that we've been spoiled with tremendous growth over the years, but while the overall numbers are great, what gives me the most encouragement is knowing the individual stories of impact.

Each of you has had a hand in that. By giving of your time, talent and treasure you are partnering with God to see the ministry of New City grow and expand. Even more importantly, as you live on mission in the places you *live, work, study and play*, you are helping our city and region flourish. You are New City Church.

I hope that the information on the following pages gives you more insight into the ministry of New City. If you have any questions regarding this report, please direct those to admin@newcityphx.com.

Flourish!

A handwritten signature in black ink, appearing to read "Brian", with a large, sweeping flourish above the name.
